

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

The Painted Turtle,

Complainant,

v.

Southern California Edison Company,

Defendant.

Case 05-07-007  
(Filed July 12, 2005)

**ADMINISTRATIVE LAW JUDGE'S SECOND RULING  
REVISING SCHEDULE**

On December 27, 2005, I issued a ruling revising the schedule because of discovery issues and the resolution of a motion to compel. Because certain key employees were absent from Southern California Edison Company (Edison) until after the holidays, Edison was unable to respond fully to complainant's document production request under the schedule in the December 27 ruling.

As of January 6, 2006, Edison has served complainant fully with the requested discovery. However, the prior schedule was set under the assumption that Edison would serve these documents by December 23, 2005.

Because of these events, complainant requests a further extension of time in the schedule. The parties held a conference call with the assigned Administrative Law Judge (ALJ) on January 9, 2006. Both parties agreed that based on the events that have transpired, that good cause exists for the Commission to process this case in more than one year, if necessary. Both parties

also agreed to the revised schedule set forth below. Edison also requests a daily transcript in this case.

The revised schedule is as follows:

Date	Event
Wednesday, January 25, 2006	Parties serve direct testimony.
Monday, February 6, 2006	Parties serve reply testimony.
Friday, February 10, 2006	Parties have completed meeting and conferring regarding settlement; send notice to the ALJ that such discussions have occurred and the general outcome of such discussions, without breaching the confidentiality of the settlement discussions (email notice is sufficient).
Friday, February 10, 2006	Parties exchange (by email or fax) cross-examination estimates with each other and the ALJ. ALJ Econome's email is jjj@cpuc.ca.gov. The estimates shall be sent so that they are received by 5:30 p.m.
Friday, February 17, 2006, commencing at 9:30 a.m.	Evidentiary hearings at the Junipero Serra State Office Building, 320 West 4 <sup>th</sup> Street, Suite 500, Los Angeles, CA
Monday, March 6, 2006	Concurrent opening briefs filed.
Monday, March 13, 2006	Concurrent reply briefs filed.
Friday, May 12, 2006	Last Day to Mail Presiding Officer's Decision.

**IT IS RULED** that the schedule is revised as set forth in this ruling.

Dated January 10, 2006, at San Francisco, California.
